Section 2 - Accounting Statements 2021/22

Woodley Memorial Recreation Ground Charity

Changes to the Accounting Statements from 2020/21 onwards have been made relating to a council's sole trusteeship of a charity and requires that funds relating to such a charity be separated from a council's accounts. This affects the Woodley Memorial Recreation Ground charity. The figures submitted on the Accounting Statements have been restated in the 2020/21 year end figures so that the transaction totals for the charity's trust fund are removed and separated the Town Council's financial statements and accounts.

The Woodley Memorial Recreation Ground charity trust fund income and expenditure transactions for 2021/22 are now completely separated from the Town Council accounts, as required in the Governance and Accountability for Smaller Authorities guidance.

Increase in balances carried forward at 31/3/2022

In this year the Council has cashed its investments held by Rathbones. The fund, which stands at £1,937,328 was built up in order to pay three loans, payable in 2025 and 2026 relating to the building of the Oakwood Centre. In the meantime, the Council will add funds to give a total of £2M to be invested in the Public Sector Deposit Fund, with the expectation of a reasonable return on the fund before the loan payments are due to be made.
